College Hackathon Competitor

CodeBlitz 2026 in Ambalika Institute of Management and Lucknow, we created a Student Doubt Solving System for college Students where student can upload their question and answer to other's questions . Collaborated within an agile 4-person team during Hackathon Round to scope, develop, and present a functional web solution within a strict 24-hour window.

Cricket Captain (Annual sports event)

Led my college cricket team during the annual sports event, guiding the team to a **2nd-place finish**. This experience strengthened my leadership, teamwork, and decision-making abilities, teaching me to assess situations objectively, make strategic choices under pressure, and effectively coordinate a team toward a common goal.
